

# The Structure of Revival

**Bazil Howard-Browne**  
**March 15, 2017 PM Service**

**Nehemiah 8:10**

**Nehemiah 8:10b**

**...for**

**the joy of the LORD is**

**your strength.**

**Man's structure  
& God's  
structure don't  
go together.**

**The glory of  
God divides  
the sheep from  
the goats.**

**If it's God,  
it's good.**

**Don't miss out  
on what God's  
doing right now  
in the meeting.**

**It's not going to  
be like the  
90's: It's more  
than that.**

**What's most  
important is the  
souls we bring  
into the  
kingdom.**

**Embrace  
change.**

**Embrace what  
God is doing.**

**There's so  
much that God  
wants to do.**

**You can't  
contain  
what God  
wants to do.**

**God's getting  
people ready for  
a greater  
outpouring of  
the Holy Spirit.**

**God's looking for  
people who are  
determined.**

**Take the anointing  
to the streets  
and watch God  
change lives.**

**There's enough people  
coming through  
these meetings  
to see  
the metroplex shaken  
by the power of God.**

**Faith is an action  
based upon the  
Word of God.**

**The biggest  
miracle we can  
see is salvation  
of souls.**

**People are not  
financially free  
because they don't  
see themselves in  
that place.**

**Allow the  
Holy Spirit  
to lead you.**

**God has no lack  
of provision:  
people have a lack  
of faith (action).**

**If we can believe  
God for salvation,  
we can believe  
God for everything  
else He has for us.**

**Let God know  
what you want.**

**Believe God for  
the funding to do  
what you have a  
vision to do.**

**God is raising up  
multimillionaires:  
3 of which are in  
the house.**
