Matthew 3:11

**No
denomination
will be able to
stop what God
is about to do.**

The world doesn't understand that the last thing you want to attack is a child of God that is believing God with every fiber of their being.

**The church
doesn't want to
be in the
presence and
power of God.**

**We have to
become carriers
of the anointing
of God**

Matthew 3:11

And ye shall know that I am the LORD when I have wrought with you for my name's sake, not according to your wicked ways, nor according to your corrupt doings, O ye house of Israel, saith the Lord GOD.

**Why does the
church want to
settle for anything
less than what God
wants us to have...**

**When the Holy
Ghost and fire
gets on you
everything
changes**

**You need to be
purified by the
fire so you can
be a carrier of
the anointing.**

**When God
moves by His
Spirit there will
be no stone
unturned.**

**When the outpouring
of the Holy Spirit
comes it is not just
going to affect the
church, but the
whole world.**

**We have to grab
hold of what
God is doing
and run with it.**

**God is raising up and
army that will have
no fear and bring
revival and the
anointing.**

**The fire of God
gets rid of the
garbage and
leaves you
changed forever.**

**You cannot have
a move of God
and remain the
same.**

**You cannot have
a move of God
and remain the
same.**
