

# Calvary Cathedral Bible College

## Course Descriptions

### **Being Led By the Spirit BLS-1S**

Learn to walk by the prompting of the Holy Spirit. This course stresses the need for obedience to God, the development of the spirit-man, and the renewal of the mind.

### **Birth of Christianity BOC-1W**

Lessons on the spiritual significance of what happened from the crucifixion of Christ, His ascension, to the day of Pentecost in the upper room. Practical emphasis on our rights and privileges as believers because of redemption.

### **Blood Covenant BC-1F**

Insights into the redemptive covenant Jesus established by the shedding of His blood.

### **Books of John BOJ-2S**

In-depth study of the Gospel and Epistles of John with special emphasis on the love nature of God.

### **Chapel – Morning only (not a course)**

Daily praise and worship before morning classes begin. Attendance is strongly encouraged.

### **Character Development CD**

Individual lessons designed to instruct, encourage, or clarify specifics dealing with character development, doctrinal issues, or guidance into the faith.

### **Church Administration #1 CA1-2S**

Practical teachings on ministry opportunities with emphasis on establishing ministries and outreaches.

### **Church Administration #2 CA2-2S**

Practical teachings on ministry majoring on the operational functioning of ministries and outreaches. Emphasis on obtaining a spirit of excellence in business situations.

### **Core Beliefs CB-1F**

Biblical foundational truths upon which our faith is established. Scriptural documentation on

what we believe and why as Spirit-filled believers. A topical study of the core beliefs of the Christian Faith.

### **Counseling C-2F**

Learning to scripturally counsel those in need. Deals with practical problems that are common in counseling situations.

### **Discipleship Training DT**

Lessons to carry the believer past immature levels of relating to Christ to that position of being “established” in ‘the faith’.”

### **Divine Health DH-2W**

It is God's will that we prosper and be in health. Learn biblical truths about how to live above the negative circumstances of life. Learn to follow the unction of the Holy Spirit to scripturally lead others into the God-kind of healing and health.

### **Divine Wisdom DW-2F**

Lessons on the wisdom of God revealed in the book of Proverbs. Learn to practically apply these truths to your own Christian experience.

### **Dynamics of Confession DOC-1W**

Study of the power of words and how they can be used to make us victorious in Christ Jesus. Techniques on proper word usage, includes agreement between two or more people, meditation, positive confession and taming the tongue to line up with God's Word.

### **Excellence in Ministry #1 EM1-2F**

Studies presenting the moral and ethical characteristics of ministry. Helps promote Godly character and integrity in ministry.

### **Excellence in Ministry #2 EM2-2F**

A study of essential leadership principles and Kingdom values that will shape the student's character and release maximum ministry potential.

**The Father and His Family FHF-2S**

A study of God's redemption and provision for mankind and the love and grace relationship between the Father God and the Body of Christ.

**Fruit of the Spirit FTS-2W**

A study based on Galatians 5:22-24 concerning the fruit of the Spirit, and the nature of God within us. Lessons on bearing Godly fruit in our lives and ministries.

**Gifts of the Spirit GTS-2W**

A study of the gifts of the Holy Spirit with emphasis on I Corinthians chapters 12 and 14.

**God, Jesus and the Holy Spirit GJH-1W**

A study of the Godhead with emphasis on relationships and activities. Physical and personal characteristics of the Trinity are scripturally presented.

**Identification ID-2W**

A Biblical examination of the life of Christ and our identification with His work on earth, His death, burial and resurrection. You will become more aware of who you are in Christ.

**Laws of Faith LOF-1W**

Study of the biblical reality of faith including what faith is and how faith should operate in our lives.

**Laws of Prosperity LAP-1W**

Study of scripture concerning how a believer should prosper in his spirit, soul and body. Biblical examples are presented to convey steps involved in receiving blessings from God.

**Lessons on Prayer LEP-1W**

Lessons on types of prayer and how prayer can work for the Believer. Teaching includes enemies to answered prayer, daily confession, and the condition to answered prayers.

**Life for the Family LFF-1F**

A study of relationships between family members, and scriptural guidelines concerning life for the family. Includes God's priorities,

finding a mate, relationship between husband and wife, divorce, and how to avoid pitfalls in family life.

**Life of Christ LOC-1F**

A study observing the life of Christ and how we can apply His example to our lives.

**Living Free LF-2W**

Conquer the cares of life by living free and victorious through Jesus. Learn to deal with spiritual forces and effects with the Word of God. Includes teaching on motivational gifts.

**Ministry of Praise and Worship MPW-1S**

A study of the elements of praise and worship with emphasis on leading others into praise and worship. Spiritual functions involved in worship and spiritual contributions of praise and worship are discussed.

**New Creation Realities NCR-1F**

Lessons on our new life after the born again experience because we are made to be new creations through Christ. Justification through Christ, identification, righteousness, hope and love are major topics addressed.

**New Testament Series #1 NT1-2F**

First in the three-course study of the New Testament concentrating on the four Gospels and the Book of Acts. A study of each book, its author, scope, theme and purpose.

**New Testament Series #2 NT2-2W**

A comprehensive study of the Pauline epistles, Romans through Philemon. Learn to practically apply New Testament truths, which will prompt a difference in your life.

**New Testament Series #3 NT3-2S**

The conclusion of the series concentrating on the general epistles, Hebrews through Jude. You will learn to apply New Testament truths to prompt a difference in your life.

**Old Testament Series #1 OT1-1F**

A survey of the first third of the Old

Testament. A study of each book, its author, scope, theme and purpose as it relates to the coming of Christ.

### **Old Testament Series #2 OT2-1W**

A continuation of the study of the Old Testament with emphasis on the dominant Bible characters, prophets and kings from that period of history.

### **Old Testament Series #3 OT3-1S**

The conclusion of the study of the Old Testament with emphasis on the correct order, grouping and major messages of each of the prophetic books of the Old Testament.

### **Operating in God's Best #1 OG1-1S**

Teaching on how, through faith, hope and love, an individual can tap into the promises of God and operate in His best.

### **Operating in God's Best #2 OG2-1S**

Teaching on recognizing the traps, snares and plans of the enemy to keep us from God's best and how to overcome these.

### **Outreach-The Lifeblood of the Church OLC-1S**

How to build a New Testament church by restoring, through practical ministry application, the evangelistic "soul-winners fire" that began the first century church.

### **Personal Development PD**

Various teachings with the intent of reproducing the Person of Christ in the individual believer.

### **Practical Ministries PM-1S**

The study of the principles that can be applied practically to help build successful Word ministries. Assists in understanding the ministry more thoroughly, explaining how every member of the Body of Christ can glorify God. Lessons on how to live victoriously in Christ.

### **The Prophets and Revelation PR-2S**

Study of the last days' prophecies and current prophetic fulfillments. Includes an in-

depth study of the Books of Revelation and Daniel.

### **Spiritual Growth SG-2F**

Teachings on how to grow up spiritually and move with maturity in our Christian walk. Includes characteristics of spiritual development levels and the importance of remaining teachable.

### **Strategic Evangelism SE-2S**

Special emphasis on soul winning and how to practically accomplish this task. Taught by a variety of guest speakers who specialize in various areas of witnessing. This course will provide information on dealing with those involved with different cults and how they can be reached for Jesus.

### **Study, Teach and Preach STP-1F**

Lessons on how to study effectively, how to use Bible aids, and many methods of preparation to preach and teach the Word.

### **Theology T-2F**

Study of basic Bible doctrines, terms, definitions, and the distinguishing of the spirit, soul and body of man. Includes a history of the Bible and the Church.

### **Triumphing In Christ TIC-1S**

Learning to exercise the weapons of our warfare as a Believer. Becoming keenly aware of the tactics of the adversary. Examination of what was done by Jesus' death, burial and resurrection for our benefit.

### **Who Is God WIG-2W**

In-depth study of the character and nature of God. You will develop a more intimate relationship with the Father as you explore who God is through Spirit-led study of the Word.
